Subject: Request for Removal of Garbage VAT Near SP Office and Fortune Heights Housing Society.

Dear Sir/Madam,

We, the residents and owners of Fortune Heights Housing Society, would like to place a humble request before you regarding the garbage VAT recently constructed near the boundary wall of the Superintendent of Police Office, Barasat Police District, adjacent to the Aprilia Bike Showroom and very close to the main gate of Fortune Heights Housing Society.

The continuous accumulation and disposal of garbage at this location is causing immense foul smell throughout the surrounding area, including inside our residential society. The situation has also led to the spread of flies and unhygienic conditions, creating serious health concerns for residents, especially children and elderly people.

Additionally, the garbage vat is obstructing smooth vehicular movement and pedestrian access, making the area accident-prone and unsafe for daily commuters and residents walking near the location.

Considering that Fortune Heights is a large residential complex consisting of more than 900 flats, this has become a matter of major concern for all residents. We sincerely request the municipality to kindly remove or relocate the garbage VAT from this sensitive residential and administrative zone and ensure proper cleanliness and hygiene in the area.

We believe your kind intervention and prompt action will help maintain a clean, healthy, and safe environment for all residents and neighbouring establishments.

We therefore request you to look into this matter on utmost priority and take necessary action at the earliest.

Thanking you.

Warm regards,
Heights Festival and Cultural Committee (HFCC)
President: Rajdeep Saha
